FEATURES

BLUETOOTH CONNECT

Enrich your riding experience as Yamaha Motorcycle Connect X unifies you with your bike.

NEGATIVE LCD INSTRUMENT CLUSTER

Negative LCD instrument cluster panel, offering a clear display of essential information, including digital speedometer, tachometer, fuel gauge, and more, for enhanced riding convenience.

LIGHTWEIGHT BODY

Control your ride with ease while enhancing economy, thanks to the lightweight body that maintains the perfect power-to-weight ratio for an exhilarating experience.

UNDER COWL

The lower engine fairing has been introduced to reduce mud and dirt splatter, enhancing the sporty look of the bike.

E20 FUEL COMPATIBLE

Reduce emissions and ride greener with E20 Fuel compatibility, as part of our commitment to a cleaner, more sustainable future.

COMFORT

REAR DISC BRAKE

220mm rear disc brake offers greater control during hard braking.

140MM WIDE RADIAL TYRE

Conquer any road with ease, thanks to the wide radial tyre that offers low rolling resistance, excellent fuel economy, and superior grip.

FRONT DISC BRAKE WITH SINGLE CHANNEL ABS

Stay in control with the Front Disc Brake and Bosch Anti-Lock Braking System (ABS), ensuring controlled braking and stability even in slippery conditions.

IN-BUILT SIDE STAND ENGINE CUT-OFF SWITCH

Never forget to remove your side stand again with the in-built side stand engine cut-off switch, providing added convenience for your rides.

DESIGN

LED HEADLIGHT

Enjoy great visibility with the LED headlight, providing optimal light projection and separate units for high and low beam, ensuring clear visibility in all conditions. *LED Flashers are available as an accessory at an additional cost.

COMFORTABLE TWO-LEVEL SEAT

Experience unmatched comfort with the two-level seat, designed for an upright, relaxed riding position, offering excellent cushioning and support for both rider and pillion.

CHROME DUCT PLATING AND 3D EMBLEM

Enhance your street presence with glossy chrome plating and a premium 3D emblem, creating a distinctive and exclusive look. *3D emblem not available in Dark Knight

ADVANCED MIDSHIP MUFFLER & ENHANCED MUFFLER SOUND

Enjoy a bold and exhilarating ride with the advanced midship muffler and sound that adds to the thrill of riding.

PERFORMANCE

TRUSTED & EFFICIENT 149CC FI ENGINE

Experience the strength of the air-cooled 149cc fuel-injected engine, delivering superior acceleration and exhilarating performance.

MONOCROSS SUSPENSION

Enjoy excellent shock-absorbing performance and stability during braking with the lightweight Mono cross suspension
